R U ready to fuck?

I admit it, I'm a tough one to rein in. I have an adventurous spirit and a wandering pussy. When I see a man or woman that I want, I go for them. I did get married, but that's only because I wanted to have a cock handy whenever I wanted it – with no hassle. I told my hubby that and he was okay with it. As long as I brought home some fresh pussy for him once in a while. And I do.

fill my wet pussy – and do it now!

I couldn't decide whether to step out on my husband or not. We were going through a rough patch and I was being consoled by a co-worker. Well, one thing led to another, and she and I got together. I felt guilty at first, but then I met a guy and did it with him. Then I stopped.

I love good, clean sex. Sex in the water, at the beach, in a swimming pool, and especially in the bathtub. It's more private and always convenient. Yes, you have to use plenty of lube because water is not that slippery when it lubricating a vagina. So, cum take your clothes off and get in the tub with me. I got lube.

She waits for me in the dark. The hotel room smells of her perfume and the lights are dark when I enter. I see her shape dark on the bed. I do not turn the light on. She does not want to know who I am and I do not want to know her. We are there for only one thing.

Before tonight, she told me she was in a loveless marriage. Her husband finds time for his friends but not for her. My wife finds time to shop but not for me. Necessity brings us together here tonight. A need pushed forward from our baser instincts. A need to rub flesh against flesh. A need for release. A need for sex.

I walk over to the bed and you crawl to the foot of it, begging wordlessly for any part of my body to taste. I run my hand across your mouth. My fingers instantly sucked deep into it. I push my fingers further in, making you gag but you never stop sucking. Your tongue wets the tips. It wets the webbing. I feel the soft sharp scrape of your teeth over my skin.

You pull your mouth away and turn from me on all fours. Your sweet ass is pointed right at me, offering all of you to me. I peel off my clothes and posi-

your asshole. My other hand begins to probe your tight pussy. You begin working your hips, grinding your ass in my face. My tongue starts fucking

tion myself behind you. I sense your body is shaking, silently begging for my touch. After what must seem like ages, you feel my rough hands caress your smooth ass. Then I grip them firmly. Pulling your ass cheeks apart and shoving my tongue into your ass as far as I can.

Roughly, my hand slaps your ass hard as my tongue works all around

your tight hole. My big hands grip your ass hard and spread your cheeks more. I begin licking all up and down your pussy lips, making sure I was hitting your clit every time.

I lie down on my back under you and suck your clit into my mouth, fingering your pussy with one hand and your ass with the other. I begin fingering you faster and harder. I want

your pussy to explode in my mouth. My tongue is flicking over your clit and I stick one more finger in each hole. I grab your hips and pull your body down mine, until your pussy is hovering over my cock.

Rigid and ready to go, I press the head against your pussy and keep it there. In one motion I impale your tight body on my hard throbbing cock, keeping your mouth on mine to drown your screams. I grip your ass and start slamming you down on my hard cock, sucking and softly biting your hard nipples.

I begin fucking you harder and faster. My balls are slapping your ass cheeks with each hard thrust. I grab your neck and pull you down to me and bite your nipples hard while I bury my cock, balls deep into you, filling your tight pussy with streams of my hot, thick load.

Before my last stream enters you, your sharp moans tell me you're cumming too. When you finish, you crawl off me, lick up all our juices off of my cock and crawl to the head of the bed. I dress quickly and make my way to the door. I look back into the darkness and quietly close the door behind me. ♦

flame redux

It was only two years ago that my wife turned off sex in our marriage. We were married just over three years, and while we are both still in love; she has lost her lust for certain fun things in life including sex. I'm assuming having a baby had a lot to do with it. We have talked many times and she has assured me it has nothing to do with me. Her role in life has taken on a different persona. She is still my best friend and a great mother to our kid. My only frustration is her lack for romance.

A few months ago I ran into an old girlfriend, Emmy. We had sex for a year or so until she found another guy and I was history. Now, apparently, things have changed and he's not the wonderful guy she thought he once was. She told me of her regrets getting married and wished she could do things over. That was fine with me.

Emmy has become my lover again and we're having a wonderful sexual relationship. I believe this will continue. I want her to be my one and only lover to reduce the possibility of getting caught. We have both agreed that

Dear Editor,

I'm writing because I gotta tell you there's nothing I wouldn't do to meet Avy (Lee). She's hot, hot, hot. She looks mighty fine on your cover, but, damn, she looks even more incredible inside. What a really hot fuck she must be.

I watched the video of her online at your site and I was blown away. Not only did she handle that huge, fat cock, but she did it and she liked it. What a great sexual temperament she has.

So listen up. I'm enclosing my business card and I'm asking you to forward it to her. It's got my info and my private number that my wife doesn't have. I hope Avy doesn't mind that. We have a loveless love life and I need pussy. And I'd like it to be Avy's pussy. Let me know.

this is on the down low. Yes, I'm cheating on my wife, but I am also being cheated out of a sexual relationship with her and I intend for my life to continue as before. I know there are risks, but for now, I need to weigh the risks against the pleasure. And as most men will attest, sometimes it's the little brain that overrules the bigger one. ♦

butt plugged

I spent the weeks prior to our meeting playing in my

don's penis would get that incredibly hard.

My husband's would not. Oh, it was hard enough sometimes, but not hard enough when I really needed it to be. It kinda helped my self confidence that the man I wanted got so hard at the thought of fucking me, especially in my ass!

I meet him at his condo on the other side of town. It's a man cave that reeks of testosterone, and that's just what

the almost purple head. It beckoned me in.

I lay on the bed with a couple of pillows under my ass, so that it was provocatively presented to Gordon. I felt him slip his finger into my little brown star. Almost immediately my ass gripped his finger but relaxed as he gently screwed it in and out. I tried to prepare the way with various combinations of fingers, vibes and plugs and I thought my ass was ready for some tight, horny shagging, but no. There was little that could have prepared me for the sheer fullness that his cock endowed on the tightest of my holes.

I looked at Gordon, gripping the base of his shaft, guiding his huge head towards my twitching ass hole. The tip slid into my opening but he stopped and waited.. Gordon withdrew a little, and tenderly asked if I wanted to continue. Just a bit at a time. I desperately wanted to be filled by his rampant cock.

Slowly he put a hand on my ass cheek and the other guiding his cock to its tight hot target again. His hard cock again started to spread my puckered star. A wave of pain washed over my lower torso, I breathed

very deeply and pushed my ass further onto his cock. The pain began to subside, giving way to a warm velvety feeling as my passage filled. Gordon pushed again.

I gasped as my asshole clenched and my mind raced. I took more deep breaths. Breath, grip, let go. I soon got a rhythm which dissipated all trace of pain. Gordon was on his back, my ass skewered on his cock.. I felt filled, not only physically but emotionally. I've never experienced such a feeling of physical intimacy. Now I was rising and falling on his stiff cock. I took control, pulling up and grinding down, making him moan. I'm sure my eyes were like slits – unable to disguise the sheer ecstasy of my tightness.

My pussy lips, engorged with their own blood, flowed sweet scented juices onto his belly. Him being in my ass seemed to make me extra wet. His fingers find my labia, eagerly exploring hole and clit. I told myself that this is sensuality gone wild. I love him in me, dripping on him. He finished with a huge explosion inside me and I felt every drop. I finished riding him and collapsed on his chest. His cock stayed in my ass for another hour. ♦

own tight butt hole using my fingers and vibes of different sizes. But there was nothing that could really prepare my ass effectively for Gordon's large cock. I thought my ass was ready for deep tight fucking, but not so. I had not anticipated Gor-

I need. My pussy was already wet by the time I rang his doorbell. He met me at the door, naked. I looked down at his dick, veins bulging, glistening with a mixture of saliva and precum. It curved upwards and to the left, the shaft deeper red than

You got a cock I can suck and fuck?

I was always curious about black dicks. Were they really bigger than others guys? I just had to find out for myself. And when my BFF introduced me to Billy, I had to find out. It took a few times to convince him to let me see it and suck it. And when I did, I found it be just like any other man's. Soft at first and then it got really hard as I sucked on it. Now for my pussy.

It was fun, I think. I really don't remember much of the physical act, but the psychological aspect later, I did not like. I won't cheat again.

I just wanna taste
a new cock

My husband won't fuck me in the ass. He thinks it's only an exit, but I know that it feels good. I did it with my previous boyfriends, but not with him. So what's a girl to do? Find someone who will fuck my ass, and I did. He's not too big because it's been a while. Then when he entered my butthole, it felt soooooo good. Can't wait to do it again!

In my culture, sex seems a little more open. The men are very aggressive and persistent. So, some girls start out early. Some girls have a lot of guys. I did not do any of that. I protected my pussy from those wolves and now I share it only when I want to and with whomever I want, and today I want two. And they have to be big because my pussy and ass tell me they're really horny. Let's go!

I look at you and you at me.

No more was said until you ask me to dance.

Yes.

lost in lust

Nicholas. We danced the other night. At a club I went to with my insistent girlfriends. "You have to get out of the house." they would say in unison. "Forget Barry for a night. You deserve some fun." And so it went. We sat at the bar and drank. Slowly at first, then the night took over and we drank more. At midnight you walked in. Standing next to me, you ordered a drink. Brushed my elbow. You apologize. I look at you and you at me. No more was said until you ask me to dance. Yes.

Our bodies do not know each other. They sway to the music but not to each other. I do not know you but there is a familiarity I have not known. You pull me close. I respond with my head on your shoulder. I feel strong hands on my back and suddenly, warm lips on my neck. I shudder. You respond by holding my chin and bringing our lips together. I respond in like.

Softly you invite me over to your place, hoping that what we started on the dance floor will continue. Yes. My heart seems to leap into my throat as I wonder what this night will bring. I listen to our steps on the stairs. I hear the door swing open and my feet take me into a new ad-

venture. I do my best to arrange myself demurely but invitingly on the sofa. My breathing quickens. You enter the room and I smile calmly although my stomach is turning over.

We embrace briefly and you kiss me on the cheek. I wonder if my heart pounding is too loud; it seems so loud to me. Already I am disappointed that our lips have not met, but the night is young. He sets the scene; the music is soft and the lights dim. Still avoiding my eyes, you smile and take me by the hand. Now you look me in the eye and my heart skips a beat. 'I like the music.' I say softly.

I swallow and gather my courage together. 'I find you very attractive.' and I cannot say more as my throat tightens. You stop dancing and again look me in the eye. 'From the first time I saw you, I knew I wanted you.' is your reply, and my happiness is complete. We embrace deeply, but you pull away a little, laughing and blushing again. 'I should have worn baggier pants' you joke, and I can see that you do indeed find me attractive. The bulge in your trousers obvious.

We dance again, a little closer than before, and we exchange stories of our others. Why they have brought

You extend your other hand. 'Shall we dance?' and you put one hand lightly on my shoulder, the other on my waist, but you keep your distance so this is the only contact we have. This time, we move easily and smoothly in time to the music, and the tune changes to one I have been listening to lately.

us here together... tonight. Now here we are, dancing alone with the whole evening before us. I want you closer to me, and I ask you to put your hands on my hips. Unusually, you move to stand behind me, saying that you want to watch me dancing, so I continue and you do gently place your hands where I asked

you. Once again, I feel your lips on my neck, which sends delicious shivers through me. Your hands wander up over my belly and gently cup my breasts. 'Are you cold?' you ask 'Your nipples are hard', and I laugh nervously, saying it's not cold but passion that is causing it. You are obviously teasing me, and your hands go low again, pulling my hips closer to yours, so I can feel it is not only my nipples that are hard. Your hard cock is pressing into the groove of my lower back.

Your whole body is now pressed to my back, and you kiss and tease my neck with your tongue, I feel your breath hot and moan in appreciation. Now you turn me around so we are face to face and kiss me on the lips, softly at first, and I feel your heart hammering like my own. As our kisses become deeper, our tongues explore each others' mouths. Your hands slide under my dress and you put your hands on my buttocks, pulling me closer to your hardness. I have to keep my arms around your neck to stop from sliding to the floor as waves of pleasure wash over me, and I feel the wetness of my arousal between my thighs.

I am afraid to tell you that I have never done this before, but I think you know. Fidelity is a trait for the uncaring. Our passions speak to us as our spouses' do not. It is too late now; I know that nothing can stop us. You bend and slide an arm under my knees as I hold tightly to your neck, and you lift me effortlessly. Back through the dark hallway to the open bedroom door. A soft lamp lights the room with a warm glow.

I feel a sudden flush as you gently put me on the bed. I cannot think of anything to do other than unstrap my shoes. You sit on the edge, next to me, and untie your. Our shoes touch; our toes touch. I stand up in front of you. I attempt to pull it over my head smoothly. You watch, undoing the buttons on your shirt and dropping it to the floor. Finally I stand wearing only bra and panties, black and lacy. Effortlessly, you now step out of your trousers, revealing your erection straining against your gray boxers. Release it.

You kneel in front of me, your hands on my waist and explore my navel, with your tongue and you find it's pierced. As I sit on the bed, you follow me on your knees and look up at me as you encircle me with your arms, and I feel the fastenings of my bra come loose. You pull it gently off my shoulders, and I shudder as you cup my breasts, watching me intensely as your thumbs circle my nipples without touching them. I lie back on the bed and you follow smoothly, so that we end up lying on the bed together. I on my back and you at my side still stroking my breasts and belly for a while. You roll over, putting one knee between my legs and your hands on either side of my body.

I can feel your mouth moving down over my neck, working lower to my breasts, your tongue gently teasing my nipples. I am too overwhelmed, too weak with passion to move and your mouth moves lower, again teasing my navel, lower and lower and you gently pull my panties off. You stroke my thighs and push them gently apart and I am lost in new sensations. You gently lift my knees and push them further apart, my most private places open to you, your fingers, your mouth, your tongue. I

am not sure what you are doing any more but it feels delicious and you tease and hold me on the edge for what seems like an age. It is not as if I have never had an orgasm before, I

have explored my body thoroughly, and I have been with others, but I do not want to tell you this.

Now you shift your body so that you are between my legs, your face close to mine, kissing my mouth. Yours is hot and wet. I feel the hardness of your cock nestled against the soft wetness of my pussy. The head of your cock nudges my clit and I shudder in expectation. I want you inside me now and try to pull you onto me, but you push my hands aside, teasing. You slide your cock over my clit, spreading the wetness from along my slit. Labia swollen and pushing back. Pussy pulling at your cock but you hold it back.

Because you choose the moment at

which you start to slide inside me. I am tight. You stop and tell me to relax and I do. I tell my pussy to relax. Relax. You work your way further inside me, and it is not long

its depth. I take it in and enclose my lips around it. I test the pressure I will apply. Not too hard not too soft. I try to mimic the free of my pussy. I feel your hands wrap around my

before you are all the way in, your groin against mine, my juices more than adequate to make everything easy. You start to pull out and slide in again, just a little at first, watching me intensely to see my pleasure. You start to move faster, and it is as if I am on fire. Soon you are moving fast and deep, fucking me hard and pulling my hips up to go deeper. Your cock touches my deepest parts. Nothing has touched there before.

Slowly, you pull out. Not limp. You are still rigid and I take my hand and surround it. I position myself so its perfect heart-shaped head nears my lips. My tongue touches the tip. It feels your slit. It tastes my juices. My mouth now moves closer, wide and round. Your cock wants to test

head. Gently, you pull my head against your body, holding there so only my tongue is mobile. I gag, You pull back. But only for a moment. You treat my mouth like my pussy, There for your pleasure, there for mine. I nibble at it on its way out and suck it on its way in.

Balls, Don't forget the balls. Hanging low but a vital tool. Part of the action, begging to be loved. I caress them. I lick them as my tongue runs over the wrinkled skin. I take one, then two into my mouth. They are larger than I imagined. Oval and slippery. I let one go and it pops out. I release the other and run my lips up the long, strong shaft, ending again at the tip. I narrow my tongue and tickle the slit, Nicho-

las, has anyone done that before? I wonder to myself.

I let him go and bury my face in the bed. My ass beckons him now. I feel his weight depress the bed behind me and his cock enter me again. My pussy is ready. His cock is ready. He knows this is the time. My pussy is slick but holds him tight. The pressure is right. His strokes are right. I hold back as long as I can until I can no longer wait, and the first wave of orgasm starts to build. I push back at his thrusts. Deeper. Harder. I climax. Again and again as I feel your most intimate of fluids pump deep into my willing vessel.

Nicholas. I cry out your name and you answer me with mine as your orgasm also starts to shudder through you. We are lost together and at last we are still again, lying spent and gasping, bathed in sweat. We separate. I lie on my back breathing hard and feeling my hammering heart start to slow again, you lying exhausted by my side, your hand lying across my belly. When our breathing has slowed, you kiss me and it is the sweetest softest kiss I have known. Your tongue flutters across my lips and mine parts yours to flirt with your tongue again. We nuzzle into each other. I lean forward and draw the bedclothes over our naked bodies. I reach down and find your cock. It is soft. I want it that way. I cup your balls and drift off into a long, deep sleep. Nicholas. ◆

DID YOU LIKE CHEATING -- ???

WILL YOU CHEAT AGAIN -- YES

WILL YOU CHEAT WITH ME -- NO!

I woke up today with a taste for cock. My hubby is off to work and there's no one around to satisfy me, so I call Andrew. He's always horny and has a huge cock. But for me, he's got some sweet tasting cum. I told him to eat some pineapple before cumming over so it's even sweeter. Andrew cums a lot. Gobs and gobs of it. And today, it's all for me! Yum!

I had never thought about cheating on my wonderful husband. We got married at 18, but it's only been a year and already I'm looking at other guys. Then we hired a handyman whose name was Tarzan and I was putty in his hands. I swung on him like Jane until he came all over my milky white, firm, full young, heaving breasts.
